I have completed my military service in Greek army, according to the Greek law (May 2018 - January 2019).

Profile

I am a theoretical linguist (MA), graduated from the University of Ioannina (department of Philology, division of Linguistics). My main research focus is on the Syntax – Pragmatics interface. I am particularly interested in the distribution and ontology of anaphoric nominals. In 2022, I supported my Master Thesis, while now I continue my research as a PhD student at the University of Ioannina (supervisor, prof. Marika Lekakou).
